

MEMBERSHIP BENEFITS

- Transportation from the place of death to local licensed facility.
- Preparation of the remains for transportation.
- Securing appropriate documentation, except for the cost of obtaining certified copies of the death certificate.
- Placement of the remains in an Air Transportation Association approved container.
- Final transportation to the nearest commercial jetport large enough to accommodate the air shipment of human remains and serving the legal residence.

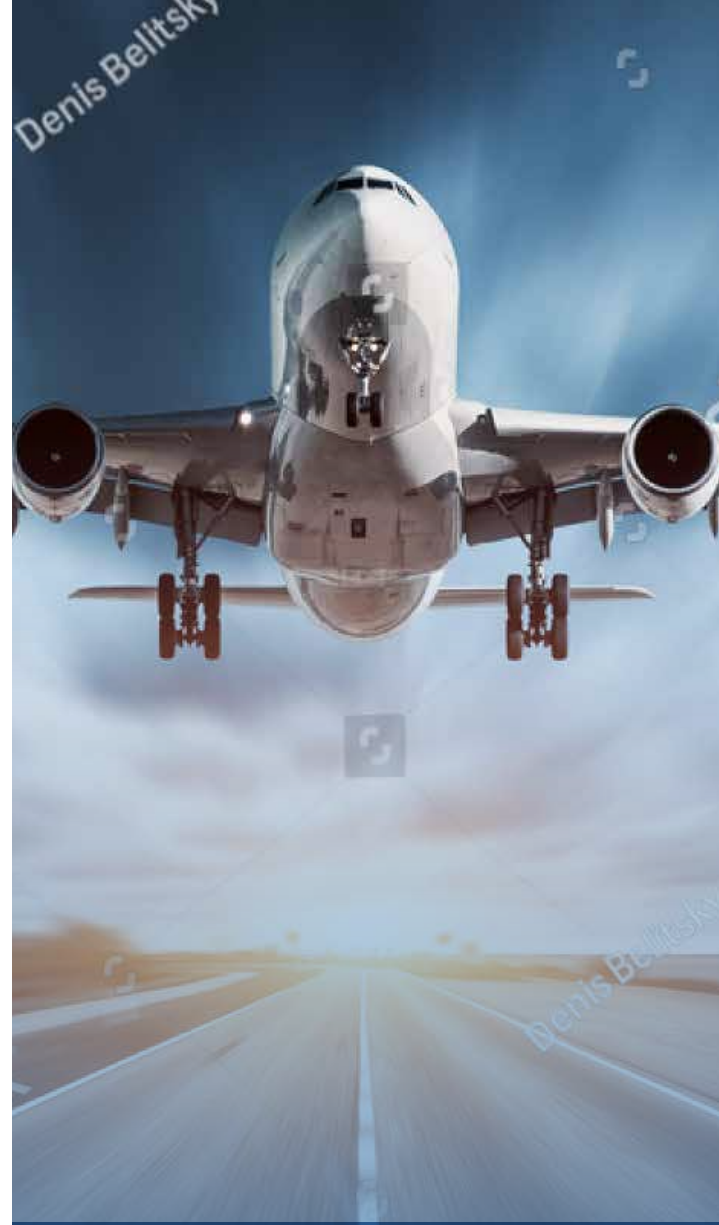

Dogwood Travel Protection must be contacted **BEFORE** any transfer of remains is attempted.
